

## Paradise Gem and Mineral Club 2012 Scholarship Award

The Paradise Gem and Mineral Club will offer an award in 2012 in the amount of \$1,000 (one thousand dollars) for an outstanding student pursuing a degree in the Earth Sciences. The student must be **currently enrolled in an institution of higher learning in Butte County**. The Award is derived from the annual Raffle at the PGMC Spring Gem and Mineral Show held April 8 and 9 in Paradise at the Elks Lodge. Applicants need to fill out the information on the attached application with attachments and either return it to the Scholarship Chairperson, or it must be postmarked **by May 15, 2012** to be considered for the award.

Thank you for applying for the Paradise Gem and Mineral Club Scholarship Award. If you are selected for the Award, you will be contacted, and a check along with a letter from the Club will be made out to the college that you are registered to attend for the Fall 2012 semester. The check will be given to you to take to the college, and the college will cash the check and provide it to you for your educational benefit. Applicants should also visit the Paradise Gem and Mineral Club website at <http://www.paradisegem.org> for more information on the Club or for additional copies of the application. We would also encourage you to attend our Spring Show held April 8 and 9 Paradise Elks Lodge.

If you have any questions please contact, Fred Thomas, Scholarship Chairperson at [fred@cerusconsulting.com](mailto:fred@cerusconsulting.com) or call at 530-521-7142.
